Will Teach at Midway Again.

Prof. W. R. Eubank, Principal of the Clay City graded school last year and who has served as principal of the graded school at Midway this year, has again been elected principal of the Midway school. He gave universal satisfaction to the patrons and is held by them in the highest esteem as a teacher.

Bright Kentucky Oil Outlook.

The Kentucky Oil, Coal & Lumber Company, of Detroit, Mich., is planning to operate on an extensive scale in its large holdings in Kentucky during the coming year. This company is now operating in Wolfe county, Ky., where the Standard Oil Company is now making a survey preparatory to laying a branch pipe line, connecting this field with its main pipe line. It is said by experienced oil men that Wolfe county, is destined to prove an excellent oil field. There are now about a dozen producing wells in the county and others are being rapidly drilled. The inducements for more active work in this section will of course increase when the pipe line is completed so there will be a market for the oil. It is now a certainty that there will be a great deal of activity in Wolfe county during the coming summer and the outlook is indeed promising.

Rev. R. A. Irvin a Candidate.

Under the mast head this week we place the announcement of R. A. Irvin, candidate for superintendent of schools of Powell county, subject to the action of the Democratic party.

Rev. Irvin has not asked for the place, and will enter no scramble for it. He has merely consented that his name could be used to make the race, and has agreed to serve the people of his county when elected. There is not a man in the county better qualified or more deserving for such recognition at the hands of his party than Bro. Irvin. His standing, both as a gentleman and a minister of the gospel, is far above reproach, and he would not enter the race under any circumstances, were he not assured that his friends will give him the nomination without any sacrifice of integrity on his or their part.

Rev. Irvin has friends in great numbers in all parts of the county who have been soliciting him to enter the race for several months, and it is only through their strong solicitation and assurance that the place will be given to him without a scramble that he has consented to do so.

Giving him the office is but a fitting recognition of his worth to the community and county in which he has lived for several years, being a christian gentleman of the highest type, and a minister of inestimable value to any people.

He has been untiring in the service of his Master in this county for quite awhile, and that with very poor compensation for the immense good he has done. The people, now realizing this fact, are eager in his support and will roll up a vote for him in the county primary that has never before been recorded in its history.

Moves to Louisville.

Mr. C. W. Russell and family and Mr. E. W. Rhubsky and family have moved to Louisville this week. Mr. Russell has been a leading citizen of this place for a number of years. Mr. Rhubsky came to this city from Wisconsin eleven years ago, and during this time he has acquired a host of friends and well wishers.

Irving Items.

(Irvine Herald.)

Born to Mr. and Mrs. Matt Hacker Saturday, the 9th inst., a fine boy.

The attendance at court Monday was unusually light owing to the farmers being busy with their crops.

Al. Tuggle while working at a sawmill on Doe creek Monday, had his left hand badly mangled by a running saw. Dr. Hood was summoned. He lacerated the fore finger and thumb.

A postoffice has been established at the K. N. Junction with David Pryse as postmaster. The office is to be called Pryse. Other offices will be established at Evelyn and Heidelberg in a short while.

On Sunday Rube Webb shot and killed Thos. Hughes at K. N. Junction. Full particulars of the killing have not been learned. Webb is still at large.

The Board of Trustees has employed Harry Miller as marshal. There have been several applicants for the position, among them Wm. Montgomery of Richmond and Geo. Crampton, of Mt. Sterling, both being employed but were unable to give bond. Mr. Miller has served as marshal for Irvine before and made an efficient officer.

Wm. H. Moore, of South McAllister, Indian Territory, attorney for the Choctaw Indians, spent several days in town last week looking up evidence in the matter of the claim of the descendants of Sukey Robinson Townsend, wife of James Townsend, Sr., to have lands allotted to them claiming descent from a chief of the Mississippi Choctaws.

Eloped to Maysville.

Mr. Jake Burgher and Miss Myrtle Johnson eloped from their parents at this place Tuesday night and went to Maysville where they were married Wednesday, the 20th. Parental objections was the cause of their elopement. They returned home Wednesday to receive the forgiveness of their parents. Both the young people are very popular in Clay City and are to be congratulated upon their choice.

Mansfield-Williams.

Mr. Wm. A. T. Mansfield and Miss Lula Williams were married at the home of the bride's uncle, John W. Williams at Stanton Tuesday, April 19th. Elder L. J. Reynolds officiated. A number of guests were present and witnessed the union of the happy pair. They left that evening for a bridal trip to Florida where they will spend a few weeks.

Miss Williams is a beautiful and a most lovable girl while Mr. Mansfield is a leading business man of Powell county. After they return home they will reside at Rosslyn.

Hopkins the Nominee.

Hon. Frank A. Hopkins, the present incumbent has been declared the Democratic nominee for Congress in this district without opposition. This is a fitting recognition for the valuable services Mr. Hopkins has rendered his constituency. Of course he will win this fall, and the question now is how much will his majority surpass that of two years ago.

A CALL.

Realizing his worth as a county official during the term held by him as Justice of the Peace, and knowing as we do, the loyal Democracy of D. R. Daniel, we do hereby call upon him to make the race for County Judge of Powell county in the coming primary and pledge to him a handsome support.

The Balance Wheel

Look inside your watch a moment. The balance wheel is making 18,000 vibrations an hour, if it's in good condition. If the movement is sluggish, there's something wrong. It will move 3,558 miles in a year, and requires less than one-tenth of a drop of oil to make it run. But it needs that little badly. The least degree of friction on the bearings alters the motion. Don't take chances. Let me clean and oil and put your watch in order for a year. It will pay and satisfy you.

We never know when a rail-
road will be built until the track
begins to lay. A number of sur-
veys have been made in this sec-
tion in past years, but little rail-
road has been built. A good por-
tion of a railroad bed was graded
and thousands of dollars spent
about 15 years ago between Win-
chester and Irvine, but the road
is yet unbegun, the L. & A. was
principally graded between Ir-
vine and Beattyville and trestles
put in ten years before the trak
was laid. The report was current
a short time ago that a branch of
the L. & E. would be built in a
little while from Mt. Sterling to
Indian Fields, and at this late
the funds are not yet ready. The
Black Diamond is still a conjec-
ture of the future.

Feed through the country has become very scarce, but till yet, there is but little grass to bring relief.

Dragging Pains

2825 Keeley St.,
CHICAGO, ILL., Oct., 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Maud Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

For advice in cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.
